Techniques for better planning, organizing, directing, staffing and controlling. What Managers Do, Fourth Edition breaks your job as a manager down into its components-planning, organizing, staffing, directing, and controlling. As a result, you'll be able to start every day with a sense of organization and control you never had before. You'll see how everything you do fits into your overall role as a manager. This insight gives you a firmer grasp of the task at hand, making it easier to delegate effectively, motivate successfully, use time efficiently, and increase productivity substantially. You will learn how to: • Use planning techniques that ensure smooth operations • Organize a department for maximum productivity • Staff in a way that matches jobs with talent • Develop performance appraisal techniques that increase employee development • Motivate employees to perform to their maximum potential.
