The positions are hot. The techniques are erotic. And the presentation will blow readers away. Wild and Sexy brings it all together in a book that dramatically boosts the pleasure quotient for couples looking to spice up their sex life. Opening the book to any page reveals an exciting new sex position complete with a tip for making it hot and the evocative photograph showing how to do it. Nothing heats up a couples bedroom faster than a new position, so Wild and Sexy offers the best, boldest, and bravest. There is truly something for everyone, including erotic variations on the missionary, doggie, and cowgirl positions; modern examples of Kama Sutra classics; and acrobatic positions for advanced lovemaking.
