Feral Intensity L.A. Day Book 3 of the Faldron Shifters series. Dirk Valde's life is in crisis. As guard of the Valde wolf pack, he has a plan for his life until a chance meeting changes everything. Discovery of one's lifemate is usually a joyous occasion, unless that lifemate makes you accept a long-denied truth. Dirk must come to terms with the realization that his lifemate is not only of the coyote pack but is also a male. Rian's touch ignites passion within Dirk and he can no longer deny his feelings. He's willing to accept a relationship with the alpha male on the condition that they are equals in the bedroom. Rian's former pack cannot accept that he is homosexual and he's certain the Valde wolf pack will feel the same way when they discover Dirk's secret. Dirk must survive a shattering misunderstanding and a vicious attack before he can find true acceptance within his heart and his pack. Author: Day, L.A.
