Marissa Glenn is a witch with one amazing power. She can make men fall in love with just a kiss. But Marissa sees her magical gift as a curse. After years of using men merely for sexual fulfillment, she wants a man to call her own. A challenge from a rival witch is just the motivation she needs to fall in love for real this time. Months after his fiancée cheated on him, Justin Heller still nurses a broken heart. When bar regular Marissa puts her moves on him, he thinks she's nothing but trouble. He knows her M.O., a different man every night, and he's not interested in being one more conquest. Marissa is determined to convince Justin she's more than just a pretty face. But who knew falling in love without any magic would be this hard? Excerpt: The dark was like a living entity that insulated them from the outside world. He rubbed her abdomen in slow circles, a move he hadn't used in months. Not since he broke it off with Jana. It was an automatic move. A move that gave her the impression he wanted more. But he just couldn't stop. His mind told him this was wrong. That Marissa was no good. But his body said the exact opposite. She made a low sound of satisfaction and arched her buttocks into him. He settled his other arm under her breasts, his fingers touching the curved underside of one of them. Her nipple was only

inches away from his fingertips, probably a tight bud under the silken softness of her dress. He ached to touch it. His dick pressed painfully against the zipper of his jeans. God, but this was wrong. This was Marissa the Siren. The woman who stepped out with so many guys, he'd lost count. He didn't matter to her; no doubt, she saw him as just one more in a long line of conquests. She turned and in a flash pinned his arms against the wall. He laughed and moved to break free, but she was much stronger than she looked. "Don't play a game you don't mean to finish." Her voice was sexy and low. "I don't like being teased." As his eyes adjusted to the dark, he became fully aware of how close she was to him. The outline of her naked shoulders and the edge of her jaw were visible in the faint moonlight streaming in through the windows. "I'm not playing any game." He tried again to break free. How could someone so slight, so feminine, be so damn strong? She let go of one of his arms and squeezed his dick through his jeans. He gasped at the intimacy. "You're the one who started it," she said, and her grip on his cock grew tighter, almost painful. "Jesus." Raw emotions surfaced. Fresh wounds. The last time he'd been intimate with a woman, he thought he'd been in love. But Marissa's hard, grasping hand had nothing to do with love, and everything to do with lust. Pure, mindless lust. She unzipped his fly, and when she touched his naked cock his mind narrowed down to one thing: sex. He leaned down, knowing her mouth was close to his. He wanted to know what those lips felt like against his. He imagined them to be pillowy-soft. His free hand snaked behind her neck, and he pulled at her hair. "Let go." Marissa stilled her hand and released his cock. "Only touch me when I order you to. Never before." His cock throbbed. His balls were so tight, they hurt. He needed her hand on his dick. He needed what she could give him. It had been too long. He had been too lonely. Whatever she wanted. However she wanted. He'd do it. What would it matter if he just gave in this once? He released her and dropped his hands to his sides.
