

Mp3 64k - Catastrophic Failure

[DOWNLOAD HERE](#)

Dark noise driven industrial electronic 14 MP3 Songs ELECTRONIC: Industrial, ROCK: Noise Details: 64K goes into maximum overdrive on this follow up to their debut album. Catastrophic Failure can force feed noisy ear bleeding industrial just the way you like it, and at the same time takes you to a place you would not expect from an industrial band. This album puts into place many thoughts and ideas that didn't seem possible the first time around. One minute 64K surrounds you with lush atmosphere, self-reflective melodies and almost cinematic type soundscapes....and the next thing you know you're being assaulted with walls of screeching noise and overdriven percussion.
