The Next Level 7 MP3 Songs URBAN/R&B: Urban, SPOKEN WORD: Radio Drama Show all album songs: The Next Level Songs Details: Breeze'Al-Kada, artist with an ethnic mixture of Filipino/Fijian-Indian descendant was born in Daly City, CA, raised in Union City, CA, and grew up in Gilroy, CA. The term Kada stands for keeping ambition dedication always. The name "Breeze" came from the streets and "Al" representing the first name. As I grew up, I was heavily influenced with hip hop, R&B, and rap music. I began making flows at the age of 14 and did a couple of gigs at a small local club in Gilroy called "The Gaslighter. " From there on out, my passion in music became a lot deeper and I started learning different techniques in the rap game. I have been freestyling and b-boyin' during my teen years. I learned to DJ and adapted various styles and ways to make my music unique and to stand out from the rest. I am the owner of a company called International Entertainment that provides multiple services and facilities in entertainment, which has released my first album, "2000 Sexy," on (5/1/06) and my second album, "Kaliban Volume 1," on (5/13/06). These two albums are available to purchase at cdbaby.com. So please when you get a chance, go and get yourself a copy. My street promotion team is the Kaliban Militia, and I am also involved with 102. 5 KDON clear channel radio station(world wide radio). I have channels 17 -20 local television as my base for the media department, which is located at a community college in Gilroy. Also, I got a recording studio with multiple equipment and programs. I am the owner of international entertainment, executive producer artist/rapper. -(got beatz 4 \$250) -(studio tyme 4 \$25. Hr. ) -(4 ft. By 4 ft. Width- 7 ft.
