Chance is a Christian MC that's bringing original beats and lyrics to the foreground in Hip Hop. Sit back as Chance falls into the ranks of those who have been charged to spread the gospel around world. Be blessed as you listen to Gods newest soldier in H 8 MP3 Songs HIP HOP/RAP: Rap, HIP HOP/RAP: Spiritual Rap Details: Critical Entertainment is more than a label it is the beginning of a movement for Jesus Christ through hip hop. Critical Entertainment presents Chance, a true MC for Christ. He has evolved from a battle rapper, to a positive messaged rapper to a MC for Christ. Chance was saved long before he started rapping for Christ. He attributes the latest transition to God through friend and fellow Christian rapper J.O.T. and groups like the Cross Movement. Chance had all but given up on Hip Hop until he saw how God was moving through these aforementioned artists. Chance was then inspired to use his God given talent to represent for the Lord Jesus Christ. Chance believes in using true hip hop beats and aggressive rhymes to get the message of God across. Sit back as Chance falls into the ranks of those who have been charged to spread the gospel around world. Be blessed as you listen to Gods newest soldier in Hip Hop!
