Powerful and beautiful original hand drum songs inspired and influenced by Chenoa's Coast Salish Native American roots and her travels to other countries where she has worked with indigenous peoples. 12 MP3 Songs WORLD: Native American, WORLD: Drumming Show all album songs: Spirit of Salishan Songs Details: I am a Coast Salish Native of the Lummi and S'Klallam Nations in the Pacific Northwest of Washington State. Throughout my life I have traveled the United States, Central and South America to work with Indigenous Peoples. These songs I offer to you represent the heart and strength of my Coast Salish roots and express the influences, inspirations and experiences of my travels to other lands. I hope these songs inspire our younger generations to answer the call to lift and carry on the teachings of our ancestors; a way of life firmly grounded in dignity, integrity, love and caring for a future that depends on these qualities.
