

Mp3 Hc3 - What About Your Life

[DOWNLOAD HERE](#)

Music Style: Fusion Of New Metal, Grunge and Progressive Rock. 12 MP3 Songs ROCK: Grunge, ROCK: Progressive Rock Details: The style of our music is, fusion of Nu Metal, Grunge and Progressive Rock. HC3 was formed in 1996. We are a Rock band from the Czech Republic and have been playing for over 6 years. We are a band of three, that's why we are called, "HC3". In 1996, we recorded and made our first album called, "IT", because of that album, many doors had started to open up for us. Soon after that, we started playing in concerts all over the Czech Republic. In 1998, we recorded and made our second album called, "Suprise", it was released by a Czech Record Label called, "Bellatrix". In 1999, we recorded and made our third album called, "Revolution". In 2000, we made our fourth album called, "You", because of that album, we signed our first record deal with Bent Records. In 2001, we released a single album recording in Australia / New Zealand called, "space Aveneus", The single album contained four songs and three video clippings. In the break of 2002/03, we had a tour in the Czech Republic, of which consisted over 35 concerts and the tour was supported by the, "Oneill Press. We performed at the CSW Rock Fest in Chicago, IL. We were nominated for, "The Rock Entertainment Of The Year Award", in May of 2004. Our press is released on PRWeb.com, read by over 230,000 people/over 2000 media outlets picked up the story. We received regular rotation on Indianbandradio.com-also was featured as being, "The Artist Of The Month". Also, received regular rotation on new artist radiomade it #1 on their top 40 charts. We won second place in, "The Yellow Dog Open", at the Czech Fest. We made a video for the song, "Inside", which had received regular rotation on, "the Orange TV Show". we also received regular rotation on, "Insight Cable, a local band network. HC3 is also featured on the recordpool-song, "Hope", received over 70 downloads by 70 different radio station dj's nationwide. We came in at #75 out of 300 on the World Music Charts. Our music been on Planet Hemp/MTV music compilations, of which was released overseas by

Sony Music Entertainment- which came in at #6 on the MTV video charts overseas.Our music is being featured as a soundtrack in The Independent Film called,"Pledging KVL", which is coming soon in 2005.Updated Coming Soon! ----- CONTACT INFORMATION
