

Mp3 Holly Martins - The Mountain Eagle

[DOWNLOAD HERE](#)

Everything is recorded using a laptop, an acoustic guitar and a \$25 microphone balanced on something that may or may not keep it in place. Certainly not out of place at a late night rustic hotel brouhaha. 12 MP3 Songs in this album (31:47) ! Related styles: FOLK: Folk-Rock, POP: Pop/Rock People who are interested in Big Star John Cale Neutral Milk Hotel should consider this download. Details: Lo-fi yet wholly accessible, The Mountain Eagle is a collection of simple, jangly folk/pop songs. Whether a lofty love theme or disparate ideas haphazardly put to a melody after watching Twin Peaks or The Twilight Zone and feeling creative, the songs have a 3:15 a.m. understanding of their subject matter. Each song is well at ease wandering the hallway humming until the lock turns and is let in.
