Acoustic Soul Folk 10 MP3 Songs URBAN/R&B: Soul, ROCK: Folk Rock Details: Love Light Each song on the album carries hopefulness and a sense of wisdom that is also embodied by its creator "It threatens to melt the icy stalactites of our cynicism with the invitation to find healing and soft landing ground amongst the hard surfaces of life." A well polished but enjoyably humble record ... Steph Gesling South Sydney Herald March 2007. Fijian born Itu grew up in PNG and rural South Coast regions of NSW Australia. Against this ever changing backdrop she has created her own unique style of songwriting. It's music for those who don't mind a little substance for the soul and a hopeful spin on the human condition.
