Rockin' acoustic session performed by guitarist/vocalist Keith Garriott 7 MP3 Songs ROCK: Roots Rock, ROCK: Acoustic Details: Keith Garriott, the solo acoustic axeman performs an acoustically recorded seven song CD capturing raw resonating tones reminiscent of his performances at a variety of eclectic venues on a pursuit to have his music out for the world to hear and enjoy as the same way he loves performing for those who truly appreciate the sounds and excitement of live music. Keith has played music for many years as a fun hobby but started pursuing his passion at more serious levels recently. He recorded a self titled EP in 2001 and the Acoustic Versions CD in 2003 as an extension of his solo acoustic abilities. He continues to tour occasionally and plans to release an album of new material in late 2005. Meanwhile, hopefully he will be playing somewhere soon in a town near you!
