Folk rock singer/songwriter simplicity. Songs from lessons learned and stories overheard. 10 MP3 Songs

FOLK: Modern Folk, ROCK: Folk Rock Details: This album was born out of the hardest year of my life as I watched my wife battle cancer. Some songs were pulled from stories overheard at the time that i fully related to the pain and hope that was found in them. Each song has a unique story that inspired them, but as a whole they all relate to that time in life. The emotion and feeling is beautifully captured by the genius production work of Luke Atencio (lukeatencio.com). This is my first studio album, and after 7 years of performing and recording, it is the album I am proud to release and feel it is some of the strongest songwriting I have done so far in my career. My prayer is that you find these songs to be honest, inspiring and you can relate to the hurt and hope. Thanks for your support.
