Details: Mr. Rizzo Biography Mr. Rizzo is the oldest of three. He was born on January 3 and lived his childhood in Compton California as well as other parts of L.A County and the I.E. (Inland Empire). Although he was in the mist of gang violence daily, he seemed to have been one of the chosen soldiers to beat the statistics. Mr. Rizzo started his enterianment career in his younger days playing sports where later he earned a scholarship to the University of Idaho playing football. During this brief stay he worked on his Sociology major, pledged PHI BETA SIGMA FRATERNITY INC. (AAZ Chapter) and was a starting receiver. He transferred to Utah State a few years later and took starting positions there too. After his college career he was given the opportunity to play a little professional football, getting a taste of the limelight and fame. Shortly after Rizzo found himself back in California in the studio featuring on The Caliway album with an artist by the name of Justified. After completing that project with great success, Rizzo was asked to collaborate with Justified again on the Deep In The Game Affiliatz Compilation where he got the opportunity to work with some of his favorites such as Spice One, Cocaine Bad Azz. Rizzo definitely proved that he could blend well with the main stream. Rizzo also wrote for other underground artists earning the reputation as the Hook Man. NOW IT'S HIS TURN!!!!!!
