"But who is No Limitz?", you may ask? Well, I'll tell ya! No Limitz are Canadian singer/songwriters Sherry Crawford and Dana Blayone from Northern Alberta, Canada.(Yes, it does get very cold there, and No there are no igloos). Alongside Dana Sherry are their talented band members, Al Rathgeber, Ed Haunholter, and Rob Lancotot. No Limitz have performed for festivals, local functions and a wide variety of charities. In the summer of 2006 they opened for Johnny Reid at Peacefest Music festival, and in the fall they appeared in the TV series Hank Williams First Nation performing their title track from their new CD I Know What I Knowand thats not everything. They had the pleasure of opening for Ian Tyson in the episode. Raised in the Peace Country, Sherry and Dana started as solo songwriters, but being neighbours and friends most their lives, they discovered the intuitive connection between them,(they call it "MIND LINK") they began to create amazing songs together. The positive energy that surrounds them leaves you feeling like there really are No Limitz. Their debut CD entitled "Dreamin' Big" released March 2006 was a compilation of original songs written by both Dana and Sherry. These uplifting, positive songs set in a pure and simple acoustic sound, was the beginning the girls needed to get their feet wet and confirmed their belief in their songwriting skills. After a

very successful release of this CD they expanded their No Limitz duo to the No Limitz Band which brought them even more success, more sales and opened more doors to festivals, concerts and behold another CD! Thanks to the creative contribution of the No Limitz band members, this album is full of surprises. Recorded in Calgary, Alberta at M.C.C. Studios by the talented engineer, Josh Gwilliam, along with guest musicians, CCMA Award Winning Keyboard Player of 2007 Mike Little, Craig Korth, and Keith Floen, created additional shades of color to the songs. A No Limitz version of rock, two stepping country or a bluegrass sound, are just some of the genres you can look forward to. It will keep you dancing with catchy tunes or stop you in your tracks with thought provoking lyrics accompanied by breath taking melodies. These girls touch the heart strings of many with their dynamic messages of love, life, party and prayer.
