Poetic folk-pop like Joni Mitchell. 10 songs from this CD won awards including grand prize in the Great American Song Contest. 12 MP3 Songs FOLK: Folk Pop, FOLK: like Joni Details: ****IMPORTANT**** This CD is going out of print! get it while you can! Patti Witten's powerful and emotional folk-rock debut Land Of Souvenirs has made an impact with its vivid stories of love, loss and redemption. Ten tracks from this CD earned honors in international and regional contests including grand prize in the Great American Song Contest, and awards from Billboard Song Contest, Mid-Atlantic Song Contest and Just Plain Folks Music Awards. "In a voice that brings to mind Joni Mitchell, Witten inflects her tunes with a disarming mixture of soft-spoken fragility and raw, throaty seductiveness . . . Witten has a poet's ability to clearly and beautifully articulate her particular view of the world." (Rambles) Her latest CD is "Sycamore Tryst," co-released on Potent Folk Records and I-Town Records. Patti also fronts Prairie Doll, a 4-piece roots-rock band. Their EP is here on CD Baby. Find them both here at CD Baby. LAND OF SOUVENIRS credits: Produced by Rich DePaolo Patti Witten (vocal, acoustic guitar) Rich DePaolo (bass, electric and acoustic guitars, tiple, harmonium and alto mandolin) Bill King (drums) Jennie Stearns and The Burns Sisters (vocal harmony)
