Body-fluid nu soul grooves, Driving funky bass-lines, Slick riffs and syncopated guitars, all that in a velvet backdrop, to highlight a soulful voice... 11 MP3 Songs URBAN/R&B: Soul, URBAN/R&B: Funk Details: ROMEO BLUE "SOUL FLOWERS"... when a singer from San Francisco meets with French musicians.... As a trio based in France, It's been now almost a decade that we're performing intensively on the European live scene (mostly in France, Switzerland and the U.K.), building a solid reputation as "crowd movers", in the hot music spots. "We wanted this album to reflect a heart-felt celebration of Love and Music. The City by the bay meets Paris, The Alps, and Beyond... Universal themes such as Love relationships, joys pains, life and introspection, are familiar to us all, regardless of origin, color or age . As a multi-cultural band, these are our foundations, and the basic elements that we refer to on this record." Driving funky bass-lines, or soulfull bottom tones, syncopated guitar licks slick riffs ... All of these elements give "Soul Flowers" the rhythmic old school smooth, that will move you. Add in original vocal harmonies, and a soulful voice, and you'll get some body-fluid nu soul grooves. As you listen, discover for yourself the colors that these flowers inspire ... ROMEO BLUE
