New album from Stockton Helbing, the current drummer for jazz legend Maynard Ferguson. 10 MP3 Songs JAZZ: Traditional Jazz Combo, JAZZ: Weird Jazz Details: Lodestar is the new original music release by Stockton Helbing, the current drummer for jazz legend Maynard Ferguson. Lodestar is an instrumental album that blends the creativity of jazz music with the accessibility of pop music. The original compositions offer memorable melodies while serving as vehicles for improvisation. Lodestar, released in February 2005, is Stockton's debut album as a bandleader. Lodestar was selected by Maynard Ferguson as the newest album in his MF Presents series, making Stockton the only drummer and the youngest musician to hold the honor. Lodestar features Ken Edwards on trumpet and flugelhorn, Tom Luer on tenor saxophone, Noel Johnston on guitar, Brian Mulholland on bass, and Stockton Helbing on drums and cymbals. All are graduates of the University of North Texas.
