The South the East and Mid West. We could bring the club to you are bring the ha 17 MP3 Songs HIP HOP/RAP: Southern Style, URBAN/R&B: R&B Rap mix Details: The Click is made up of 3 members, 2 artists News and Chameleon, and 1 producer Kamikaze Who came together in NC after rehearsing for a show. Originally News and Kamikaze were the only members of the group, brothers both raised in New Orleans LA in the B.W. Cooper housing development known as the Calliope projects. After News and Kamikaze performed Chameleon asked who did the production, the rest is history. They came together and have been creating music ever since. Chameleon is from up North, Cleveland; Kamikaze and New are from the south, together they bring hot music every coast can relate to. -NEWS....Naked (Along time coming) Part me yall she could have on Wal-Mart drawers, we can take it from the flo and to the bathroom stall; See them drawers you can loosen them up a little, and Ill show you all the vicious things I do to the middle. -Kamikaze....Sex Angels (Along time Coming) Hold on listen, I aint bragging I just want your attention I know what your missing, I'll show you then switch the position. Have you biting your bottom lip from the bed to the kitchen, and make you catch the holy ghost like you just found religion..... -NEWS....Emotions (Along Time Coming.) You don't know what it is to suffer, to sleep with pain and rage, surrounded by ignorant niggas so I walk with a gauge, these memories got me hating the world and everybody in it, I get high so I wont relive it; but you don't hear me though. The light are flashing the picture is clear the grim reaper is on his way around here.....
