Thrilling funky folk pop with a British twist. 12 MP3 Songs in this album (42:00) ! Related styles: POP: Beatles-pop, POP: Folky Pop People who are interested in The Beatles The Beach Boys Buddy Holly should consider this download. Details: Jeff Bryant and Zach Stevenson. Together they represent 100 of a folk-funk duo and precisely one half of The Human Statues, a funk-pop-rock quartet (alongside members Ben Birchard and Kraig Waye) based in Toronto, Canada. Originally from Vancouver Island, British Columbia, these young men are on a mission to spread jubilation across the nation. Whether its playing high-energy band shows - complete with choreography - at venues such as the Horseshoe Tavern and the El Mocambo in Toronto, or intimate acoustic performances in theatres across the country, Jeff and Zach are committed to connecting with people through humour, authenticity and a love of music and live performance. Often described as a cross-generational breed between the Flight of the Conchords and Simon and Garfunkel, Jeff and Zach blend an energetic pop sensibility with lyrical depth and love of vocal harmony.
