

Mp3 Trick Deck - Freaky Love

[DOWNLOAD HERE](#)

New levels of groove greatness with the sounds of the freaky love CD. The vocals are strong and beats are wicked, for sure. Trick Deck's unique style is in full bloom on this one. 11 MP3 Songs ELECTRONIC: Down Tempo, HIP HOP/RAP: Alternative Hip Hop Details: Trick Deck returns with Freaky Love their second release via Infrasonic Productions. This new release will tickle hotspots around the world and further establish the group as innovators, mixing electronica, hip-hop and their own unique brand inspiration born of the combination of several talented collaborators. Produced and played by Mark Wand, the album features the vocal stylings of Christa Wells. Also featured are Mr. E of The High Children and San Jose rapper Kungfu Vampire with several beats provided by drum sensation Kevin Sawka.
