One of the great books of our time, Principia Discordia is the official bible of the most relevant religion ever conceived, Discordianism. This legendary underground classic contains absolutely everything worth knowing about absolutely anything, including The Law of Fives, The Gospel According to Fred, The Five Apostles of Eris and The Book of Uterus. Discordianism is the religion for these screwed-up times, and Principia Discordia reveals it here for your enlightenment, confusion and entertainment.
