

To Serve And Protect

Cops, correction officers and firemen are the guys who keep us safe. They serve and protect the citizens of the world, and give us some serious heat at the same time. Chris Owen gives us cops with *On the Clock*, where Detective Strang has a murder to solve and a guy from another department to share it with. Gallagher is in computer crimes, and since the victim of their case was strangled at his computer, it's a natural match. The two share an obvious attraction, but will they get so wrapped up in each other that they can't solve the case?' From CB Potts comes *Nothing's Ever Easy*, about Corrections Officer Grant, who despairs of ever finding a man who can get past what he does for a living. A chance encounter with a mysterious cab driver gives him hope, making him wonder what matters more: what you do for a living, or the kind of living you do. In *Flesh and Blood* by Tory Temple, Chance and Tucker of *Heat* fame return. Tucker's having issues with what he feels is hate directed at him and his lover because of their relationship. Can Chance get Tucker back on track before things crash and burn? Alexa Snow serves up Mitch, a policeman with a life that should be smooth sailing. Unfortunately, his boyfriend is getting on his nerves, he has a murder to solve, and he has a mysterious stranger telling him all the details no one but

the killer could know. Can Mitch make sense of the chaos before the killer chooses another victim? See what makes the men who save lives and catch the bad guys so hot!
