

Mp3 Alan S Ferguson - Freedom's Sons Volume 1

[DOWNLOAD HERE](#)

Traditional and modern music from Ferguson's native country. 14 MP3 Songs
WORLD: Celtic, FOLK: Traditional Folk
Details: Alan Ferguson breathed in Celtic air and music from his youth in Scotland and came to Australia intent on learning all he could about his adopted country, its people and its ways. He was the founding member of several bands that played a breadth of Australian-Irish-Scottish music in which he played a range of instruments from keyboard to drums, strings and pipes. But his voice is his greatest instrument, inspiring devotion from all who hear him.
