Darren McGinnis releases his debut CD Whats Your Story nationally on Tuesday, March 3, 2009. At the young age of 24 critics say with hard work and ongoing support of the Industry, Darren could be the next big thing in country music in Canada. Born and raised in Sussex, New Brunswick Darren McGinnis quickly learned that he suited the Simple Life of a small town. Darren was raised within a musical family with both his father and grandfather as local performers, so it was only natural Darren would experiment with music himself. Darren grew up with influences such as James Taylor, Brad Paisley, The Gibson Miller Band and Ricky Skaggs. These three generations of McGinnis' continue to perform on stage together for special occasions. Darren is newly wed to wife Trish, and is 'Dad' to Blake and Addison. Darren has won several awards and competitions but just to highlight a couple in 2003 Darren represented New Brunswick at the Canadian Youth Star Search held in Regina, Sask. In 2005, Darren was chosen as New Brunswicks Next Country Star and given the opportunity to perform at the Gala Dinner during the Canadian Country Music Awards held in Calgary, AB. Since then, he has opened for numerous artists including The Road Hammers, Doc Walker, Aaron Pritchett, Duane Steele, Jamie Warren and Patricia Conroy. More Than Me, his first single off this album was released to radio on January 12th, 2009. It is extremely difficult for a brand new independent artist to break through at radio. By the time you are reading this article, More Than Me will have received Top 30 status. Its amazing! More Than Me was written by Willie Mack and Lonnie Wilson. The album also includes a variety of songs written by Darren McGinnis, Duane Steele, Willie Mack, and others. The title track was written by Tommy

Gilham and JK Gulley. Focused on family roots, heritage, and new beginnings ...it seemed appropriate for a debut album. Most importantly, each and every song on this album, is different providing an opportunity to appeal to all demographics. This album was produced by Jason Barry of Barrytone Studios in St. Clements, ON. Jason originates from Miramichi, NB so it was nice to see such East Coast collaboration. Jason has produced for Terri Clark, Aaron Lines, Charlie Major, and Jason Blane. The cover was designed by the one and only Patrick Duffy. Nominated many times, Patrick has had several CCMA award winning covers. Special thanks to the players on this album...Jason Barry, Melissa Barry, Paul Chapman, John Diamond, Ken Post, Doug Johnson, and Steve OConnor. The CD release celebration takes place on Saturday, February 28, 2009 at the Imperial Theatre. Special guests will include Duane Steele, Willie Mack and Jason Barry.
