Gentle folk - insightfully crafted lyrics with acoustic guitar accompaniment, straight from the floor. 12 MP3 Songs FOLK: Gentle, EASY LISTENING: Mature Details: Getting back to poetry roots the abecedarian is a great way to create new material and practice the art of writing something you never dreamed of ever producing, completely new and original, and is recommended for anyone who may suffer from writers' block. Taking those words and combining them with chords on the acoustic guitar has created something completely different and unique. Raw and real this cd takes you back to the dictionary every now and then to find meaning and to maybe stumble upon the start of another Abecedarian for future endeavours.
