Details: Small town roots in rural Pennsylvania are the inspiration for singer songwriter David Fletcher's understated folk songs. Like many musicians David spent his 20s in frenetic rock bands, (Blue Skye Mourning, Slight and Radio Astronomy), but he's now enjoying a slower pace, playing intimate venues and writing songs that look back and feel comfortable. Though he's played countless shows, written hundreds of songs, and produced 12 albums over the past 15 years, the simple immediacy of David's music and performances are undiminished.
