Just Me and My Guitar v2.0 This album has all the same material that made the original Just Me and My Guitar so popular, but features brand new recordings that make the originals pale in comparison. Eben's three most requested songs appear on this album: "Amadea", the touching ballad of thwarted desires; "Princes, Friends and Lovers", the upbeat love song from a friend who wants to be more; and "Deified Hebraic Carpenterial Blues", a hilarious number about what Jesus Christ might think if he came back and saw us today.
