

Mp3 Gigi Fouquet - Tiny Heaven

[DOWNLOAD HERE](#)

Whether shes singing about love or loss, failure or triumph, the themes are universal and were right there with her. At times strumming like Petty and howling like Joplin, and at other times channeling Tracy Chapman or Sara Bareilles. 5 MP3 Songs in this album (22:27) ! Related styles: POP: Pop/Rock, ROCK: Folk Rock People who are interested in Tom Petty Tracy Chapman John Mayer should consider this download. Details: My music has changed completely over the last three years, says GiGi Fouquet. My eyes have been opened. Ive been able to see whats possible with recording an EP, touring it around New York City with my band, seeing how the songs can turn into something different on stage, and coming to realize that I can only make them better. Its not difficult to imagine what led the French-American singer-songwriter into the music business in the first place. Its in her blood. I grew up in a musical family, she says. My grandmother was a gifted vocalist and her sister Kay Kendall performed on stage in London. From a very early age, I can remember singing along to Ricky Lee Jones and Tom Petty with my Dad. I was exposed to a wide variety of music while we lived abroad and us kids were always encouraged to pursue our artistic ambitions. I was very lucky, in that sense. Those life experiences take center stage on Fouquets new EP. A collection of upbeat pop songs and bluesy folk-rock ballads, Tiny Heaven boasts many standouts, including the heartfelt Suddenly, (about the kind of love you just cant put down), the impassioned, orchestral Missing, and the irresistibly-catchy Youre The Same As Me, already a hands-in-the-air live favorite. Its the kind of song everyone can relate to, she says. For such a young artist, Fouquet boasts seasoned mentors. Her co-producer GE Smith is a guitarist of worldwide acclaim, having spent his early years on SNL and then in the company of legends like Bob Dylan and Hall Oates, and other co-producer, critically acclaimed singer-songwriter, Taylor Barton. Then theres also Jon Carin who is best known for his impressive work on the keyboard and guitar with Pink Floyd. All three artists

recognized Fouquets unique sound and made the decision to take her on. The resulting union is a marvelous one: the freshness of youth mixed with the wisdom of the road. As for the EPs title, it essentially evolved by accident. We were in the studio recording These Days Are Gone and Jon thought I kept singing the words tiny heaven, says Fouquet. Those werent actually my lyrics, but we all really liked that idea. The notion of having some small slice of the world where you can just be yourself, truly happy in your own skin. The title certainly fits. A disarming sense of ease abounds in all of Fouquets music. Whether shes singing about love or loss, failure or triumph, the themes are universal and were right there with her. At times strumming like Petty and howling like Joplin, and at other times channeling Tracy Chapman or Sara Bareilles, singer/songwriter Gigi Fouquet and her EP, Tiny Heaven, have more to them than meets the eye.
