Spiritual Gospel Rap 15 MP3 Songs HIP HOP/RAP: Spiritual Rap, HIP HOP/RAP: Rap Details: I thank my Lord and Savior, and my heavenly Father for making all of this possible. Im living out my calling and blessed to be diligent in the work he has appointed me to do. I feel my music is not just about music, the sound, the flow or the potential but more so about the ministry or choppin the devil up, as I like to say. H2G, Hip to God, is not a stage name but a lifestyle. So when the two come together, the ministry and the lifestyle that is, along with the musical praise he has placed in my heart the people of God are left with H2G Ministries. This is a lifestyle geared towards setting an example for young men and women, seniors and babes in the Word of God. We want to show them that it is possible to serve God no matter where youve been. We know God is a God who follows through on his promises of salvation and forgiveness because He loves us and it is our duty to share this message. He will do anything for anybody if you believe. I love spending time attending to Gods purpose but when I can relax I like to kick it with my friend and partners in the ministry, doing things like getting together to eat play video games and bowl. I really like to bowl, just a little bit about me. I have been blessed to work with many artists much like Christ in their character and spirit, trying to mix as many anointed sounds as possible. Some of these anointed talents include: Chose Lady La'Giya, Educator, Immortal, M.B., M.I.R, M.O.G., Narrowmind, Nathan E., S.O.G. and U.C. I wouldnt be able to go forth in ministry without the ones closest to me . My loving wife Kimberly McFarland, my son David and my daughter Deionne McFarland keep my heart set on keeping up with the responsibility of taking care of family first. My mother and the rest of my loves ones also carry me in their prayers and support. I am led by my pastors Solomon and Magdelene Akharamen who lead the Miracle Christian Fellowship Church. Pastor Sandra Hall and Elder Hall along with Prophetess Sims and Bro. Mike of the Christian Ministries Church were there by my side long ago and continue to support

us. God has blessed me with a host of Christian friends who aid in the progression and outreach of H2G ministries and I would like to appreciate God for allowing me the chance to know them. God Bless, One love...
