Post-industrial noise metal, or "Ministry meets Slayer and gets in a fight with Black Sabbath at Trent Reznor's house; Yngwie brought cookies." 11 MP3 Songs METAL: Industrial Metal, METAL: Alternative Metal Details: An all-out retrotronic bash-fest, Indentured Grip's unique blend of old-school thrash and new-wave technology lends itself well to Steve Baric's cryptic lyricism. The only "real" instruments on "Creation and Deceit" are the vocals and guitars, which just goes to show how effective recording in your apartment can be. "Creation and Deceit" is The S&M Music Factory's premiere recording.
