

Mp3 Jack Falk Project - In This House Of Blues

[DOWNLOAD HERE](#)

Award Winning Guitarist Playing Instrumental Guitar Blues, Blues Rock, Progressive Jazz Rock, Ballads and Fusion. 18 MP3 Songs BLUES: Electric Blues, BLUES: Guitar Blues Details: The Year 2006 : Jack Falk Project is proud to release In This House of Blues. This CD gives you a real taste of whats been going on inside Jack's head. Anyone who knows Jack knows its all about how he feels and the energy in his playing is what comes out of his amp and electric guitar. Its now been three years since Jack Falk Projects last release and he has been through a lot since then. Transitioning from the West Coast to the East Coast. Working with new management and direction. Playing concert and club stages all over the east, And working on a new live DVD for release soon. In This House Of Blues takes you through many musical journeys and places that only you and your mind can go. On this CD you have 18 tracks of blues, blues rock, progressive jazz rock, classics, rock and more tracks. Included are a few select chosen tracks from our previous out of print CD's that everyone has been requesting. We hope this help satisfy those folks by adding them to this CD. Sit back turn it up in your car or home or listen with headphones late at night and have Jack's guitar take you away. He personally mixed this one for the closest he could get to perfection just for you. The Players on this CD: Jack Falk - Guitars and Keyboards Bonnie Falk - Electric Bass Pat McCarty - Drums and Electronic Drums Joe Augustine - Drums Mark Cox - Drums Special guest appearance from the pop rock singing princess Samantha Falk on Easy Living
