

## Mp3 Jamie Gazelle - Holy Dementia

[DOWNLOAD HERE](#)

different yet something youve liked before 14 MP3 Songs POP: 90's Pop, EASY LISTENING: Soft Rock  
Details: welcome to the holy dementia this disc talks about different kinds of love love of others, love of family, love of the heavenly father and love for a planet gone horribly wrong if you are looking for truth you will find it here we do not claim to know what is going on but something awful has changed in the ways people think, do and react are we at the brink of the end of time as we know. we truly feel this is true and we are all wallowing in a holy dementia until the one called to do so rights all the mess and we are on the correct paths again. take all this in and share it with others, you will be blessed. jamie gazelle is an artist who speaks the truth in all aspects of his music. it is real, its soulful, and chalked full of good tidbits and hooks that want to pull you into a force called the galaxy of love. if it is heaven, then so be it. if it is your hell, try to solve it and never give up cuz any sort of dementia is not good for the souls of mankind. jamie and his band are now playing live venues in the midwest to join the fanclub write gazelles music fans
