Introspective, challenging and Catchy. You'll find your fingers tapping along with the flowing acoustic guitar and your mind divulging its deep secrets to the finely crafted lyrics. 12 MP3 Songs ROCK: Americana, ROCK: Folk Rock Details: Where were you when Jason Lee Released his first CD? Thanks for checking out my listing. Its not always easy trying to fit genre bending music into a single page. I guess I will only say that I live in a place where its very cold. With alot of time to make music I have released my first CD, you can tell me what you think after you buy it but if you had to place it somewhere Slide Rule Sundays seesm content to live in ther Americana section of the Record store. That's right record store, thats what they were called where and when I grew up. Give my album a spin and see what you think! I am guilty of being a singer/song writer and loving it! I am very pleased to present this disc to you. These songs are honest, and they come from a thousand different places. Click that purchase button and pick yourself up a copy of Slide Rule Sundays. You'll be glad you did! Rock on party people!
