

Mp3 Katie Garibaldi - Fallen Angel

[DOWNLOAD HERE](#)

This is singer-songwriter Katie Garibaldi's 2006 release, comprised of 14 original acoustic rockabilly-pop songs. 14 MP3 Songs POP: Folky Pop, ROCK: Rockabilly Details: It would be difficult to place a label on Katie Garibaldi's music, let alone try to compare her thought-provoking lyrics and creative guitar rhythms to those of other recording artists. So when asking Katie's dedicated listeners to describe her music, they stray from settling on a comparison and declare that Katie is an absolute original. A strong believer in the healing power and therapy of music, Katie creates songs that dive into universal emotions of love and pain. Her soft and soulful vocals blended with her skillful acoustic guitar playing make it clear that songwriting is not only Katie's talent, but also her evident passion. Whether listening to her CDs or watching her live performances, listeners experience empathetic embraces as Katie's introspective insights touch every person involved. As Katie Garibaldi grows as an artist, she's simultaneously building her fan base. She connects with listeners all over the Bay Area who appreciate the messages in her songs and her sincere personal relationship with fans. Katie Garibaldi's latest release, *Fallen Angel*, is the artist's fifth full-length album. Although the name *Fallen Angel* may have a dark connotation, the album is in fact a bright collection of 14 original songs and carries an ongoing theme of unconditional love. Katie explores feelings of devotion and freedom in a relationship with straight-to-the-heart lyrics and winning melodies. *Fallen Angel* differs from Katie's previous albums, still containing well-written and thoughtful lyrics and technique, but noticeably showing the artist's evolution in songwriting and musical development. The sound is distinctively acoustic, with a rockabilly-pop flavor, well represented in each song. The album features Katie with her trio and also stays true to Katie as a solo artist, providing the listener with two bandless tracks one of which Katie plays keyboard on. *Fallen Angel* is full of lovely dynamics, taking the listener on a ride from surprising bridges, to unpredictable pauses in songs, to

brushes on the drums. Even Katies soulful voice is dynamic from delightful wispy tones to soaring vibrato. Fallen Angel is sure to gain quite a buzz with such songs as Always, Every Time (an uplifting song about escaping to a better place), A Love Without Chains (a funky and rocky tune about feeling free with a new love), and the title track, Fallen Angel, (featuring Katies acoustic finger-picking technique and slide guitar).
