Indigenous flutes lead the way in this multi-ethnic mix of natural instruments including Native American flute, pan flute, quena, blokeflute, charango, guitars, djembec, udu, daremboc, native drums and more... 11 MP3 Songs NEW AGE: Ambient, WORLD: Native American Details: Floating melodies drift you away into an open ocean of joyous listening. Inspired by our planets life giving waters the music is spiritually refreshing and enticing like the oceans, rivers and lakes of sacred Mother earth!!! Konrad has participated as a guitar and flutes master for multiple recordings ranging from Andes, Native American, ambient world music, and folk rock. This is his fourth solo project. On this project we were fortunate to have master percussionist Brent Lewis participate with a wide variety of acoustic drums, bells, rattles, shakers and indigenous cultural percussion instruments from around the world.
