Thoughtful, evocative music that is firmly grounded on Mother Earth yet takes you to another place. Primarily acoustic and piano-based, with elements of singer-songwriter, Americana, jazz, world, and new age sounds creating a sophisticated, powerful mix. 13 MP3 Songs in this album (55:29) ! Related styles: FOLK: Progressive Folk, NEW AGE: Adult Alternative People who are interested in George Winston Loreena McKennitt Judy Collins should consider this download. Details: This CD is a collection of songs about love, the land and the evolution of these times. This album means the world to me, for I feel I now have a recorded document of hope, and hope with action. Beauty is a form of healing, and these songs have already traveled to different parts of the world, reminding us that each of us has a purpose in being here. The quartz crystal singing bowls are on two of the songs, as well as recordings of raven, and the Sandhill Cranes from the San Luis Valley of Colorado. This album weaves the beauty of strings, woodwinds, piano and percussion with full production.
