Details: For more than a decade Phoenix-based Los Guys have been making their signature brand of rock and roll, wowing audiences with vibrant live shows and serving up a sweet soundtrack to many a memorable night out. Led by singer/guitarist Mark Zubia, the four-piece which also features Gary Smith (drums), Paul Cardone (bass) and Tim Rovnak (piano and organ) - originally began in the mid-90s as a kind of loose knit covers outfit putting their own spin on blues, country and pop favorites. Over the years however, Los Guys has grown into a serious project. In addition to playing literally thousands of gigs, the band has released four albums -- three studio discs of originals and a live concert collection all of which capture their unique blend of musical brawn, windswept melody and good-time boozy charm. Whatever the event or occasion, Los Guys and their grab bag of great tunes, virtuoso musicianship and electrifying showmanship are the stuff that will have audiences dancing the night away.
