**WORLD: World Traditions, CLASSICAL: Contemporary Details: Why is Armenian music so unique? Why does it appeal to listeners from all over the world? It is because Armenia itself embodies the best of the East and the West, the Ancient and the Modern, the pastoral and the cosmopolitan. This CD showcases the gems of Armenian Song, from the ancient harmonies of "Nazer" which transport one to the world of past civilizations, to the romantic European tonalities of "Gulnarah" which is art song at its best. Armenian music draws the listener from the soul and stirs the inner emotions of the heart, especially when sung by the beautiful and legendary Mezzo-Soprano Maro Partamian. This is a CD which should be in the library of anyone who loves Armenian music, opera, or world history. Recognized as one of the foremost singers of Armenian Art songs of our time, Mezzo Soprano Maro Partamian has established a distinguished career as a vocalist of the highest caliber. She has an extensive repertoire, including a thorough command of the classical operatic oratorio. As an internationally acclaimed artist, she has performed on stages worldwide, including the United States, Italy, France, Spain, the Middle East, and South America. Her accolades include the prestigious First Place in the Aram Khatchaturian Vocal Competition. Her interpretation of Armenian art songs is unparalleled. Seta Karakashian Von Bartsch, Pianist Accompanist. Pianist Seta Karakashian Von Bartsch has performed in solo recitals and as a soloist with orchestras, in broadcast, televised and live concerts throughout the US, Europe, Middle East and Soviet Union. Besides commanding an impressive repertoire of classical piano music, she is also a renowned interpreter of Armenian piano music and enjoys an international following.**
