Im not a bug (NO!) Im not a bug (NO!) Look carefully Everybody please quit bugging me I like to spin and hang outside With two body parts and many eyes Count my legs dont hesitate 1-2-3-4-5-6-7-8 Im not a bug (NO!) Im not a bug (NO!) Im not a bug (NO!) Look carefully Everybody please quit bugging me People think Im scary and mean I eat insects like you ice cream (YUCK!) I have two jaws on my little head So dont get caught in my sticky web Im not a bug (NO!) Im not a bug (NO!) Im not a bug (NO!) Look carefully Everybody please quit bugging me SPIDERMAN The Cricket Love Song The cricket, the cricket, the cricket love song The cricket, the cricket, the cricket love song The cricket, the cricket, the cricket love song The cricket, the cricket, the cricket love song Late at night you can hear the sound In the woods when the sun goes down They start to chip Wings go to work From dusk until dawn Hear the cricket love song The cricket, the cricket, the cricket love song The cricket, the cricket, the cricket love song Tiny creatures with big back feet Try to attract a mate thats sweet The woods are awake With music they make Every frog, bird and fawn Knows the cricket love song The cricket, the cricket, the cricket love song The cricket, the cricket, the cricket love song The cricket, the cricket, the cricket love song The cricket, the cricket, the cricket love song Female crickets listen with two ears Attached to their elbows, do you think thats weird? Instead of a kiss, antennae clinched Another courtship is born With a cricket love song Late at night you can hear the sound The cricket, the cricket, the cricket love song In the woods when the sun goes down The cricket, the cricket, the cricket love song The cricket, the cricket, the cricket love song The cricket, the cricket, the cricket love song Little Bug Lullaby Fireflies are dancing in the twilight I can hear the crickets as they start to sing As the sun sets far off in the distance Its time to close my eyes, drift off and dream Goodnight, sleep tight, dont let the bedbugs bite Fly across the summer sky On a monarch butterfly Cuddle up in my cocoon underneath a crescent moon This is my little bug lullaby Drift off into to sleep instead of counting sheep Watch lady bugs and dragonflies Sail across my weary eyes A small insect parade sings a tiny serenade This is my little bug lullaby Goodnight, sleep tight, dont let the bedbugs bite Fly across the summer sky On a monarch butterfly Cuddle up in my cocoon underneath a

crescent moon This is my little bug lullaby Too Many Bugs How many legs does a millipede have? How many legs does a millipede have? How many legs does a millipede have? Lets take a look and see I see a leg and a leg and a leg and a leg And a leg and a leg and a leg and a leg And a leg and a leg and a leg and a leg Too many legs to count! How many eggs does a queen bee lay? How many eggs does a queen bee lay? How many eggs does a queen bee lay? Lets take a look and see I see an egg and an egg and an egg and an egg And an egg and an egg and an egg and an egg And an egg and an egg and an egg and an egg Too many eggs to count! How many hops does a grasshopper hop? How many hops does a grasshopper hop? How many hops does a grasshopper hop? How many hops does a grasshopper hop? Lets take a look and see I see a hop and a hop and a hop and a hop And a hop and a hop and a hop and a hop And a hop and a hop and a hop and a hop Too many hops to count! How many bugs are there in the world? How many bugs are there in the world? How many bugs are there in the world? How many bugs are there in the world? Lets count them all and see I see a bug and a bug and a bug and a bug And a bug and a bug and a bug and a bug And a bug and a bug and a bug and a bug Too many bugs to count! Butterfly I want to be a butterfly So I can flap my wings and fly And sail away in the bright blue sky Oh, I want to be a butterfly Id wear a smile not a butterfly frown With two antennas that wiggle around Look at my wings theyre gold and theyre pink I look pretty like this, dont you think? CHORUS Theres nothing wrong with the way that I am But its fun to make believe and pretend So if you want to play this game with me Put on your wings and fly away in my dream CHORUS The Ants in Your Pants Dance Ive got a funny feeling and its tickling me It feels like somethings crawling from my toes to my knees My legs are getting itchy, is it poison ivy? What else could it be? Could it be a flea biting me? Oh no! Oh no! I feel so itchy and I want to scratch Like a monkey or a dog or a flea filled cat Look at me now Im starting to shake Moving my hips like a big earth quake Oh no! Oh no! Shake you right leg, shake your left leg Shake it up, shake it down Spin around and around and around and around! And do the ants in your pants dance The ants in your pants dance Shake you right leg, shake your left leg Shake it up, shake it down And do the ants in your pants dance The ants in your pants dance Everybody wants to dance like me Let me tell you its as easy as can be Find an anthill about so tall And wait for those critters to creep and crawl CHORUS Catch the Reading Bug I once knew a centipede that could read And he would read all day Read all night Read all day, read all night Read about pirates Read about dinosaurs Reads about dragons Every book was new And then he turned into The reading bug The reading bug

Dont be a slug Catch the reading bug The reading bug Theres a kid I once knew, just like you! And that kid would read all day Read all night Read all day, read all night Read about pirates Read about dinosaurs Reads about dragons Every book was new And then he turned into The reading bug The reading bug Dont be a slug Catch the reading bug The reading bug
