Tasty, Saucy power pop smothered in maximum R&B gravy... tastes mmm mmm good. Absolute non-stop dancin'. 12 MP3 Songs POP: Power Pop, ROCK: Modern Rock Details: Washington DC, three sharp fellows (Jason, Lee Jamie) met and started making music together in high school. Over the next few years they played together and apart, under a variety of group identities and lineups, but common musical interests and camaraderie kept the three together as friends as well as band-mates. At college they found a drummer, and formed Tapestry Drive. Their second album Evolution Revolution is the result of their continuing chemistry and musical evolution.
