Warm and jangly alt country folk rock that matches the sparkle of pop with the twang of country. 13 MP3 Songs FOLK: Folk-Rock, COUNTRY: Alt-Country Show all album songs: Seven Days Songs Details: Tim John Mayock have been writing and playing music together for most of their lives. The Danger Brothers, their roots rock ensemble of the late eighties and early nineties, produced a progressive self titled EP on Bag-O-Cats records (distributed by Caroline Records), which earned the band a devoted local following. The EP received airplay on stations WHCN, WWUH, and WCCC while their live shows included performances with The Greg Allman Band, NRBQ, The Guess Who, Lone Justice and The Beat Farmers. Tim Mayocks credits include stints as lead guitarist in Radio Ranch, bassist in bands Velvet Steel and Dance Committee, while John has shared the stage with Buddy Cage of the New Riders of The Purple Sage, and Nashville songwriter Gary Burrs Serious Business Band. The music of the Mayocks encompasses all manner of American styles including rock, folk, country, blues, rockabilly, r&b and swing as well as drawing from the sounds of Ireland, the Caribbean and beyond. Recent performances have included guest appearances by Americana stalwart Will Kimbrough, former NRBQ wildman Al Anderson and CSNY guitarist Jeff Pevar, while the primary guitar seat in the band is occupied by Grammy winning producer arranger guitarist Jim Chapdelaine, who plays in Al Andersons current band. The Mayock's have just completed their third cd titled "It Might Be True ", a true collaboration between The Mayocks and Jim Chapdelaine. Check it out!
