

Mp3 Things Outside The Skin - You Knew It All Along

[DOWNLOAD HERE](#)

things outside the skin is an aggro-tech industrial band with a heavy foot in electronics, punk-rock, hip-hop, noise, politics, satire and anything else that can be squeezed into a blissful mix of sonic ear-candy. 23 MP3 Songs ELECTRONIC: Industrial, ROCK: Punk Details: things outside the skin is an aggro-tech industrial band currently based in Brooklyn, NY. with a heavy foot in electronics, punk-rock, hip-hop, noise, politics, satire and anything else that can be squeezed into a blissful mix of sonic ear-candy. things outside the skin's second US tour is being scheduled for summer 2006 in support of their new CD "You Knew It All Along" but in the meantime, fans of edgy industrial-punk can catch t.o.t.s. playing regularly in NYC. The live show is largely characterized by their extremely energetic performances and strongly integrated lighting and visual presentations. The t.o.t.s. line-up currently consists of brothers Chvad SB (vox, synths, guitars) and Blight (bass guitar) joined by Tim Durland (drums).
