To hear the clip and for more info, please visit: singwithwing.com/music-29.html

WELCOME! Wing Yee, better known as Wing, is a singer/songwriter and guitarist from Montreal, Quebec, Canada. He can speak and sing fluently in English, French and Chinese. Wing was born in China, grew up in Hong Kong and immigrated to Canada with his parents at a young age in search of a better life. Wing came from a non musical family and is a self taught vocalist/musician. He's a baritone tenor and has a vocal range similar to the Beatles, Chris de Burgh, Gilbert O'Sullivan, Paul Simon, Billy Joel and Elton John. Wing was intrigued by the Beatles and moved by Carlos Santana. He has been performing as a solo artist in the bar, restaurant, hotel lounge and ski resort circuit throughout the province of Quebec. Wing also performed in Las Vegas at what were then the Mint and the Dunes hotels. And the most requested song from his repertoire is "The Lady in Red" by Chris de Burgh. Wing's original songs are in the style of pop/light rock. Wing currently has 19 originals, 7 English covers and 3 Chinese cover songs all ready for immediate release. And he's now looking for a manager and a record label. Thank you for your visit. For more music and info, you are invited to WWW.SINGWITHWING.COM, Wing's official website. It's a celebration of words and music. It's time well spend.
