

Potboilers: Methods, Concepts And Case Studies In Popular Fiction - , Jerry Palmer

[DOWNLOAD HERE](#)

Potboilers looks at the many forms of popular narrative - in print, film and TV. It considers the ways in which they have been analysed in literary criticism, sociology, communications, media and cultural studies. The book introduces and summarizes two decades of debate about mass-produced fictions and their position within popular culture. It assesses the methods that have been used in these debates, focussing both on narrative analysis and the communications process. It explores generic conventions, the role of commercial strategies, and the nature of the audience with reference to crime fiction, soap opera, romance and TV sitcom. Distinctions between 'high' and 'low' culture have relegated many popular forms to the trash-can of 'great' literature. This book takes stock of the methods and concepts used to analyse popular culture and argues for a non-elitist approach to the study of literature, film and television. Author: Palmer, Mr Jerry Author: Palmer, Jerry Publisher: Routledge Illustration: N Language: ENG Title: Potboilers: Methods, Concepts and Case Studies in Popular Fiction Pages: 00228 (Encrypted EPUB) / 00228 (Encrypted PDF) On Sale: 2012-08-06 SKU-13/ISBN: 9780415009775 Category: Social Science : Media Studies
