

Sisterhood, Interrupted

[DOWNLOAD HERE](#)

Contrary to clichés about the end of feminism, Deborah Siegel argues that younger women are reliving the battles of its past, and reinventing it--with a vengeance. From feminist blogging to the popularity of the WNBA, girl culture is on the rise. A lively and compelling look back at the framing of one of the most contentious social movements of our time, *Sisterhood, Interrupted* exposes the key issues still at stake, outlining how a twenty-first century feminist can reconcile the personal with the political and combat long-standing inequalities that continue today.
