Sociology Of Law

[DOWNLOAD HERE](#)

A fresh analysis of the sociology of law, combining theory with a range of empirical issues.Since the classic contributions of Weber and Durkheim, the sociology of law has raised key questions on the place of law in society. Drawing together both theoretical and empirical themes, Mathieu Deflem reviews the field's major accomplishments and reveals the value of the multiple ways in which sociologists study the social structures and processes of law. He discusses both historical and contemporary issues, from early theoretical foundations and the work of Weber and Durkheim, through the contribution of sociological jurisprudence, to the development of modern perspectives to clarify how sociologists study law. Chapters also look at the role of law in relation to the economy, politics, culture, and the legal profession, and aspects of law enforcement and the globalization of law. This book will appeal to scholars and students of the sociology of law, jurisprudence, social and political theory, and social and political philosophy. EAN/ISBN : 9780511380112 Publisher(s): Cambridge University Press Format: ePub/PDF Author(s): Deflem, Mathieu
