

Taking Flight!: Master The Disc Styles To Transform Your Career, Your Relationships...your Life - , Daniel Silvert

[DOWNLOAD HERE](#)

Use DISC to discover profound hidden patterns of human behavioral style, gain deeper self-awareness, maximize your personal strengths, and influence others more powerfully than ever before! Taking Flight illuminates the proven DISC four-style model of human behavior, and shows how to use it to become a far more effective leader, salesperson, or teacher; revitalize your career; build deeper personal relationships; fully leverage your natural gifts, and empower everyone around you. Drawing on their immense experience coaching executives and training world-class organizations, Merrick Rosenberg and Daniel Silvert introduce DISC through a fable thats quick, fun, and easy-to-understand. Youll discover why you "click" with some people and "clank" with others, and what really drives your decisions and actions. Youll learn exactly how to identify others behavioral styles and choose the best ways to interact with them. Youll walk through creating a personal action plan for improvement -- and then systematically making the most of your strengths, working around your weaknesses, and supercharging your personal performance! If youre already familiar with DISC, this book will help you use it more effectively than ever before. If youre new to DISC, it will change your life -- just as it has for thousands before you!Author: Rosenberg, Merrick Author: Silvert, Daniel Publisher: FT Press Illustration: N Language: ENG Title: Taking Flight!: Master the DISC Styles to Transform Your Career, Your Relationships...Your Life Pages: 00239 (Encrypted EPUB) On Sale: 2013-03-22 SKU-13/ISBN: 9780133121292 Category: Business & Economics : General
