

The Everything Freemasons Book - John K. Young

[DOWNLOAD HERE](#)

Often traced back to the stonemason guilds of the Middle Ages, freemasons were supposedly found among all the great minds of the Renaissance, including Da Vinci. Regardless, the movement really took off in the 1700s, when anyone who was anyone was a freemason-from George IV and Mozart to George Washington and Benjamin Franklin. Over the next hundred years or so, the freemasons claimed such illustrious personages as Charles Darwin, Franklin D. Roosevelt, Winston Churchill, Louis Armstrong, General Douglas MacArthur, W.C. Fields, Herbert Hoover, and many others as members. Even today, Freemasonry boasts Masonic lodges all over the globe. For thousands of years, one clandestine organization has been rumored to control the destinies of men, cities, even nations. The Everything Freemasons Book examines all aspects of this fascinating organization, including: Myths, legends, and stories of this ancient order-what's true and what's not; The closely guarded secret rituals, symbols, and esoteric arts; Who's who of freemasons-famous writers, scientists, statesmen, and more; The freemasons' enemies-from the Catholic Church to the Nazis; The many controversies surrounding this secret society-past and present; and more. With The Everything Freemasons Book, you'll unlock the Solomon key in no time!Author: Young, John K. Publisher: Adams Media Illustration: N Language: ENG Title: The Everything Freemasons Book Pages: 00304 (Encrypted PDF) On Sale: 2010-09-30 SKU-13/ISBN: 9781598690590 Category: Social Science : Freemasonry & Secret Societies
