A definitive careers guide giving true insight into the meaning and process of becoming a doctor. Learning Medicine is a must-read for anyone thinking of a career in medicine, or who is already in the training process and wants to understand and explore the various options and alternatives along the way. Whatever your background, whether you are school-leaver or mature student, if you are interested in finding out more about becoming and being a good doctor, this is the book for you. In continuous publication since 1983, and now in its eighteenth edition, Learning Medicine provides the most current, honest and informative source of essential knowledge combined with pragmatic guidance. Learning Medicine describes medical school courses, explains foundation years and outlines the wide range of speciality choices allowing tomorrow's doctors to decide about their future careers, but it also goes further to consider the privilege and responsibility of being a doctor, providing food for thought and reflection throughout a long and rewarding career. EAN/ISBN : 9780511372599 Publisher(s): Cambridge University Press Format: ePub/PDF Author(s): Richards, Peter - Stockill, Simon - Foster, Rosalind
